SPONSORSHIP FORM

Beach Wave Volleyball Club is a AAU for profit organization in the Brevard County area, directed by Michelle Kathleen Rycroft, whom is a local resident and has been coaching in the area for the last twelve years. BWVC has developed into a Nationally prominent junior club, having impact not only within the Florida Region and at the USAV, AAU National Championships, and National volleyball level.

Our mission is to spread the sport of volleyball to everyone who is interested in learning. To teach the players life lessons on and off the court, to help further their knowledge about team work, sacrifice and dedication. Unfortunately, participation for some families is cost prohibitive. In an effort to purchase equipment, help parents and/or assist players, we offer scholarships funded by community minded supporters.

100% of sponsorship funds will be distributed on the basis of club purchases and to individual athletes' needs at the sole determination of the Board of Directors through an application process.

If your business or organization is interested in joining our team as a sponsor, please complete the form below.
